SUGGESTION OF MOOTNESS

Respondent, Mrs. Wilson, renews and urges the arguments contained in her Brief in Opposition. In addition, since Petitioners' filed their Petition for Certiorari in this case, the controversy has become moot. The Texas Parks & Wildlife Commission, by a 4-2 vote, *again* voted to purchase Respondent Mrs. Wilson's Mustang Island property. The State Liaison Officer, Chairman Jack Stone of The Parks and Wildlife Commission, renewed the request for federal matching funds under the Land and Water Conservation Fund Act of 1965 (16 U.S.C. §460e-4—460e-11). State and regional clearinghouse comments were long ago received by the Bureau of Outdoor Recreation. The Parks and Wildlife Department requested and received an appraisal of the property and an on-the-ground survey of the property. Assuming arguendo that there was ever any substance to Petitioners' allegations, certainly none presently exists.

CONCLUSION

For the foregoing reasons, the Petition for a Writ of Certiorari should be dismissed and denied as moot.

Respectfully submitted,
J. CHRYS DOUGHERTY
Attorney for Respondent,
Mrs. Sam Wilson, Jr.
